

# Magpul Dynamics

Dynamic Handgun 2 w/ Shotgun

December 3-5, 2010

Robert, LA

*We are what we repeatedly do.  
Excellence, then is not an act,  
It is a habit  
--Aristotle*

## INFO:

**Cost: 600.00 Course fee**

**50.00 Range fee**

**50.00 lunch fee** (optional) This fee covers catered hot lunches with desserts, drinks, water, snacks, and fresh fruit for all 3 days. This helps to maximize training time and add convenience for the class given the semi-remote location of the range. Trust me; you will not be disappointed.

**Shirts: 20.00** (optional) Upon registration, you will have the opportunity to purchase a unique class shirt.

**Photos:** A professional class photo will be available for purchase, as well as a DVD with hundreds of class pictures and video.

## Dynamic Handgun 2- Day 1&2

*1500 handgun round min.*

- Terminal ballistics
- Rapid threat analysis and acquisition
- Shooting on the move
- Multiple target engagement
- Natural and improvised shooting positions
- Barricade shooting
- Shooting from vehicles (client dependant)
- Concealed shooting
- Low light tactics
- Individual and team confidence enhancement drills
- Individual and team live fire stress courses

## Dynamic Shotgun Employment- Day 3

*100rds buck, 100rds slug, 200 rounds  
bird min.*

This course covers the proper employment of a shotgun from both a tool of deadly force to a tool with less-than-lethal capabilities. This is an intensive one-day course for the operator with a basic understanding of shotgun employment including proper round selection, tactical reloads and combat reloads. The course will consist of 8 hours of intense instruction and range time.

## Gear

Rain gear / cold weather gear (seasonal)  
Clear lenses for night shoots  
Baseball style hat recommended  
A holster and magazine pouch that will retain equipment when moving  
Secondary weapon mounted or handheld light  
Knee and elbow pads (optional)  
An open mind

-Pump or Automatic - Shotgun  
-Either a drop pouch, shell carry pouch, side saddles or speed pouches OK  
-Eye Protection  
-Ear Protection (electronic preferred)  
-Hydrating device  
-Weapons cleaning gear
